Dear Sir/Madam,

The Embassy of the Republic of Indonesia would like to acknowledge receipt of the full scope of research as commissioned in the required quality and with all the necessary insights and recommendations.

The report addressed the points and was backed by consumer surveys, desk research, and sources and provided actionable outcomes. The presentation was conducted in a professional way and engagement and willingness to collaborate and attend key events surely helped the Embassy to gain more comfort over the project timeline. The Embassy received constant support and prompt periodic updates. inputs were factored in as requested while keeping the deliveries timely for such a critical timebound project.
